

## 小鼠抗 COMMD1 单克隆抗体

中文名称: 小鼠抗 COMMD1 单克隆抗体

英文名称: Anti-COMMD1 mouse monoclonal antibody

别名: C2orf5; MURR1

相关类别: 一抗

储存: 冷冻 (-20℃) 避光

宿主: Mouse

抗原: COMMD1

反应种属: Human , Monkey

标记物: Unconjugate

克隆类型: mouse monoclonal

### 技术规格

<b>Background:</b>	COMMD1 is a regulator of copper homeostasis, sodium uptake, and NF-kappa-B (see MIM 164011) signaling (de Bie et al., 2005 [PubMed 16267171]).[supplied by OMIM].
<b>Applications:</b>	WB, IHC, FC
<b>Name of antibody:</b>	COMMD1
<b>Immunogen:</b>	Fusion protein of human COMMD1
<b>Full name:</b>	copper metabolism (Murr1) domain containing 1 (COMMD1)
<b>Synonyms:</b>	C2orf5; MURR1
<b>SwissProt:</b>	Q8N668
<b>IHC positive control:</b>	adenocarcinoma of human ovary tissue and carcinoma of human thyroid tissue; human kidney tissue
<b>IHC Recommend dilution:</b>	30-150
<b>WB Predicted band size:</b>	21 kDa

<b>WB Positive control:</b>	HepG2, Hela, A549, COS7, Jurkat, MCF-7 cell lysates
<b>WB Recommended dilution:</b>	500-2000
