

小鼠抗 ASPDH 单克隆抗体

中文名称： 小鼠抗 ASPDH 单克隆抗体

英文名称： Anti-ASPDH mouse monoclonal antibody

别名： aspartate dehydrogenase; aspartate dehydrogenase domain containing

相关类别： 一抗

储存： 冷冻（-20℃） 避光

宿主： Mouse

抗原： ASPDH

反应种属： Human

标记物： Unconjugate

克隆类型： mouse monoclonal

技术规格

| | |
|------------------------------|--|
| Background: | Specifically catalyzes the NAD or NADP-dependent dehydrogenation of L-aspartate to iminoaspartate. [UniProtKB/Swiss-Prot Function] |
| Applications: | IHC |
| Name of antibody: | ASPDH |
| Immunogen: | Fusion protein of human ASPDH |
| Full name: | aspartate dehydrogenase domain containing (ASPDH), transcript variant 2 |
| Synonyms: | aspartate dehydrogenase; aspartate dehydrogenase domain containing |
| SwissProt: | A6ND91 |
| IHC positive control: | human colon tissue and human Kidney tissue and adenocarcinoma of human ovary tissue and human pancreas tissue |

IHC Recommend dilution:

30-150
