

兔抗 NIF3L1 多克隆抗体

中文名称：兔抗 NIF3L1 多克隆抗体

英文名称：Anti-NIF3L1 rabbit polyclonal antibody

别名：CALS-7; MDS015; ALS2CR1

相关类别：一抗

抗原：NIF3L1

储存：冷冻（-20℃）

宿主：Rabbit

反应种属：Human, Mouse, Rat

标记物：Unconjugate

克隆类型：rabbit polyclonal

技术规格

Background:	May function as a transcriptional corepressor through its interaction with COPS2, negatively regulating the expression of genes involved in neuronal differentiation.
Applications:	ELISA, IHC
Name of antibody:	NIF3L1
Immunogen:	Fusion protein of human NIF3L1
Full name:	NGG1 interacting factor 3 like 1
Synonyms:	CALS-7; MDS015; ALS2CR1
SwissProt:	Q9GZT8
ELISA Recommended dilution:	2000-5000
IHC positive control:	Human gastric cancer and Human liver cancer
IHC Recommend dilution:	50-200
